

Newsletter for Families 10th May 2024

Our vision is to create an excellent school that gives every child no matter their background or beliefs, the opportunity to live happy and fulfilling lives, go to university or pursue the career of their choice.

Climbing the Mountain of Success

"Habits are like a rope; we weave a strand every day, and soon it cannot be broken."
Horace Mann, 1848

We are ambitious

We are caring

We have integrity

We contribute

We are CCC, where values matter

We will be a great school in everything that we do.

Principal's Message

In this newsletter I am going to explore another of our four school values – Ambition. Ambition is the bedrock of our school vision, which is to create an excellent school that gives every child no matter their background or beliefs, the opportunity to live happy and fulfilling lives, go to university or pursue the career of their choice. Additionally, the hard work and determination are key to students when they are “climbing their mountains of success”.

Ambition, the fuel that propels our students' dreams into reality, is an indispensable quality that students, schools, and society at large should embrace wholeheartedly. In the dynamic journey of education, ambition serves as the guiding star, illuminating pathways to personal growth and academic excellence.

In classrooms, ambition infuses lessons with purpose and vigor. It transforms tasks into exciting challenges, igniting a thirst for knowledge and discovery. Students fueled by ambition don't just aim to meet expectations; they strive to exceed them, pushing the boundaries of their intellectual capabilities. Watching our Year 11 sitting their first GCSE exams this week, I am delighted to see the ambition in their actions and the fire in their eyes!

Moreover, ambition finds its expression not only in academic pursuits but also in the realms of arts and sports. In the brushstrokes of a painting, the melodies of a symphony, or the adrenaline

rush on the sports field, ambition drives students to unleash their creative potential and pursue excellence relentlessly. Whether they're striving for the perfect score or aiming for the winning goal, ambition instills a sense of determination and resilience crucial for success.

Beyond the confines of school, ambition plays a pivotal role in shaping one's life trajectory. It empowers individuals to set aspirational goals, empowering students to exceed perceived limitations and societal barriers. We believe in a future where there are no glass ceilings, where every student is encouraged to dream big and equipped with the tools to turn those dreams into reality through hard work and determination.

As teachers, parents, and carers, it is our collective responsibility to nurture and develop ambition in our students. By fostering a culture that celebrates effort, perseverance, and growth, we pave the way for our young people to leave an indelible mark on the world.

In essence, ambition is not merely a trait but a mindset—a driving force that drives us towards greatness. So, let us dare to dream, let us dare to aspire, for with ambition guiding us, the possibilities are boundless.

Primary Outreach Event – Coleridge Sport Leaders – Friendship Games

On Wednesday, 20 Coleridge sport leaders ran a 'friendship' games sporting Primary event at Coleridge, with over 70 year 2 students attending from 7 local primary schools. The event was to expose students to a range of activities based on the Olympics and Paralympic events such as long jump, hurdles, sprinting, new age kurling and the climbing wall, all to develop their fundamental skills. The leaders ran a station each, developing their leadership skills, confidence, team building and communication.

Feedback from students and staff involved was extremely positive. One local teacher said, "*The Coleridge were amazing leaders, supportive, encouraging whilst also teaching my students the fundamentals of athletics*" Well done to all the leaders.

Enrichment Programme – Summer 2024 – After School

Day	Time (3-4pm unless stated)	Club / Activity	Year Group	Where	Staff
