Principal's Message

Dear Families,

I do hope that you have had a great week. I spoke in assemblies this week about 'culture', I asked students what they thought the word meant and I'm pleased to say that the responses were absolutely first rate. Students spoke of beliefs and shared values and my response was that for me in the school setting, culture is 'what we do around here and the way that we do it', certainly it is about the way the school feels. Culture is about what we do every day. I'm extremely proud of how respectful students are of one another and as mentioned in previous weeks, it is lovely to see how they interact with the staff at the school so positively. Coleridge is a special place and I do believe the students and staff reflect that day in day out.

I would like to apologise for the previous lack of communication about the Year 11 examinations and hope that I can address some of those concerns here. I have been asked by a few people about whether the school is considering exam leave for the Year 11 students and I think that it is worth addressing that here. The last 2 years have been very disruptive in educational terms, and students have been affected considerably. To provide as much support as we can at this time therefore, students will continue to follow their normal timetable with their classroom teachers. Lessons will be focused on revision to ensure students enter their exams with the knowledge and confidence necessary to succeed.

We have put on breakfast each morning for students who have an exam and we have extended lunchtime for Year 11 students to allow them to get their lunch earlier so that they have more time to participate in revision sessions, do private study or use the extra time to relax with their friends. The morning exams start at 9am and the afternoon sessions begin at 1.30pm.

I will ensure that each week, the exam timetable is sent to you for you to know what is taking place. Next week we have the following exams:

Mon 16 May 2022	pm	Pearson Turkish Listening and Reading (1h 50m)
Tues 17 May 2022	am	AQA Combined Sci Trilogy Biology P1 H/F (1h 15m)
Tues 17 May 2022	am	AQA Biology Paper 1 Tier H/F (1h 45m)
Tues 17 May 2022	pm	AQA Psychology Paper 1 (8182/1) (1h 45m)
Wed 18 May 2022	am	AQA English Language Paper 1 (8700/1) (1h 45m)
Wed 18 May 2022	pm	AQA German Listening and Reading (1h 50m)
Thurs 19 May 2022	am	Pearson History P1: Medicine In Britain (1HIA 11) (1h 15m)
Thurs 19 May 2022	pm	OCR Drama: Prfrmnce & Rspns Wtn (J316/04) (1h 30m)
Thurs 19 May 2022	pm	Pearson Italian Listening and Reading (1h 50m)
Fri 20 May 2022	am	Pearson Maths P1: Non Calculator (H/F) (1MA1 1H/F) (1h 30m)
Fri 20 May 2022	pm	Pearson Business Studies Paper 1 (1BS0 01) (1h 30m)

(Continues on the next page)

Principal's Message

There was recently an email sent out asking parents/carers if they have any availability to support with the invigilation of exams. If this is a possibility, please can I ask you to email col-enquiries@coleridgecc.org.uk and would welcome your support.

The remaining year groups will have End of Year exams in Term 6 and these will largely take place during normal lesson times. Information will come through over the coming weeks.

On a separate note, I am delighted to say that the enrichment programme is proving to be extremely popular, and it is great to see students participating in such a wide range of activities. There has been a successful trip this week to see Wicked in London this week and I'm sure there will be more to follow soon.

Please do have a wonderful weekend and I will speak with you again next week.

Best wishes

Richard Shaw

Interim Principal

Pupil Premium Breakfast Club for Secondary Students

We have joined up with Family Action to deliver the National School Breakfast Program at Coleridge Community College for secondary students starting from Monday 16th May 2022.

Breakfast items will be available free of charge for all secondary students each day from 7.45am to 8.15am in room 17. It has been proven that students who regularly eat breakfast are able to concentrate better during their classes and achieve more from their education.

Please could you complete the online form <https://forms.office.com/r/4TEgDL2T1c> if your child will be attending these sessions by Thursday 19th May 2022 4.00pm so that we know how many students to cater for going forward weekly. If you have any questions, please contact the school on 01223 712600 or enquiries@coleridgecc.org.uk

PE 'Dragons Den' Project; Year 8

20 year 8 students have started a Pe 'Dragons' Den project on Thursday 5 May. This programme centres around youth voice and provides a platform for your students to create and implement their own extra-curricular club within Coleridge.

Students attended a workshop delivered by Living Sport. In the workshop, they looked at the importance of inclusivity, diversity, project planning (including budgeting, contingency plans, marketing strategies, promotion ideas etc), what it involves in running an extra-curricular club as well as learning skills on how to present/pitch and looking at how to create a persuasive presentation/pitch.

After this initial workshop, Living Sport will arrange a pitch date 4-6 weeks later. Here the students will present their ideas for their extra-curricular clubs to a panel.

This is the 'Dragon's Den' part of the programme. The panel would then discuss which extra-curricular club to choose, and then these students would get the opportunity to create this club within the school settings for their fellow students.

Living Sport will fund these students £1000 for their extra-curricular club which can be spent on equipment, coaches/instructors, promotional tools etc.

Primary Sport Multi Skill Festival Return to Coleridge.

On Tuesday 10 May, 90-year 4 Primary students from Morley and Ridgefield attended a Multi-Skill Festival at Coleridge. The festival was run by year 10 Coleridge Sport Leaders. Students

On the following two Tuesdays, we will have year 3 and 2 visiting.

Fostering in Cambridgeshire and Peterborough

We'd just like to share some information with you about fostering with your Local Authority – and what you can do to help us find safe, stable and loving homes for vulnerable children and young people.

The Cambridgeshire and Peterborough Fostering Service receives around 50 referrals every month, and we are doing everything we can to provide nurturing environments for our children and young person who need our help. We particularly need people who have experience of working with children, such as teachers, teaching assistants and other professionals from the education sector.

As your Local Authority, we are uniquely placed to support our Foster Carers in the following ways:

1. We are a not-for profit organisation and invest in our children, young people and Foster Carers
2. We enable young people to stay close to their family, friends and schools
3. Our carers are the first to hear about the children and young people who need a home and a loving family
4. If a decision needs to be made about the child, we can make it quickly as the Local Authority is the decision maker
5. We offer our carers excellent bespoke training and support

We are competitive in pay against IFAs with additional tax savings

If you can provide a safe, loving environment in which a child or young person who cannot live with their birth family can flourish, please get in touch:

Health and Care Sector Work Academy

The Health and Care Sector Work Academy is a Cambridgeshire and Peterborough Combined Authority project, run by City College Peterborough, supporting residents across Peterborough and

Cambridgeshire to gain a career in health and care.

Our project helps anyone in receipt of benefit (whether employed or currently unemployed) train for the Health and Social care sector.

We offer a range of FREE flexible courses that all fit around school hours for those that have care responsibilities. We also offer bursary support with childcare, travel and caring for a dependent adult – so we can take away most of the barriers to training.

We work with a network of employers who can guarantee you an interview on completion of your course. You could be qualified and starting your new job in as little as 4 weeks!

Children and Young People Team.

Welcome to May's newsletter. We hope you all had a very happy and safe Easter break. As usual this newsletter has been designed to support and advise Parents and Carers of both Primary and Secondary school children, and therefore trust your personal judgement to share what you feel will be relevant information with your child/s.

OPERATION SCEPTRE Knife Crime awareness week of action 16th – 22nd May 2022 **OPERATION SCEPTRE**

Operation Sceptre (#operationsceptre) is a National Campaign to target knife related crime by raising awareness amongst communities and to encourage everyone to understand the risks and how you can help to reduce these offences and keep people safe.

During the Week of Action, or over coming weeks, your child may receive a presentation in school which highlights the risks and consequences and how they can keep themselves and others safe by reporting any concerns. There will also be advice, updates and key messages posted via the Cambridgeshire Constabulary Facebook, Twitter and Instagram pages.

@cambscops @cambscops Cambscops

- **THE DANGERS:** Whilst a small minority of young people may feel tempted or pressured to carry a knife/weapon for what they believe to be 'self protection' it is important for them to know this significantly increases the risk of harm to them.
- **THE FACTS:** The Police can stop and search anyone they have reasonable grounds to suspect to be carrying a knife or other offensive weapons.
- **THE LAW:** It is illegal to carry a bladed article in a public place –the maximum penalty for carrying a knife is 4 years in prison and an unlimited fine. It is also an offence for retailers to sell knives to under 18's.
- **THE CONSEQUENCE:** A criminal record can change your life –it may prevent you getting certain employment in the future and it can prevent travel to some countries.

There is no shame in running away from a situation and it could save your life and stop someone else ruining theirs by making one fatal mistake. If you know someone who carries a knife, call us on 101 or visit www.cambs.police.uk. Other useful websites include fearless.org/en/Campaigns/Knife-Crime and www.knifefree.co.uk
