Principal's Message

Dear Coleridge families,

I hope you are all doing well and that you have had a good week. Coleridge life is going well you'll be pleased to hear. Whilst walking the corridors at various points in the week, it is evident that the high standards and expectations from staff continue to provide a calm and positive learning environment, where students are making good use of every second. I am particularly pleased that students are so focused as we head towards the end of year exams for KS3 and Year 10 next term as I'm sure their hard-working approach will pay dividends.

Students in Year 11 have had their first full week of exams and I am delighted to report the consensus from students is that they have gone well, and that their hard work and efforts are paying off. In advance of every exam, there is a revision session led by the Head of Department or a member of their respective teams. I am extremely thankful for the first-rate staff we have at Coleridge as I know the students are. The support these sessions provides is so invaluable and students are arriving at the examinations with a renewed sense of confidence and ability at exactly the right time. I will continue to keep you posted as the exam season goes on but 'so far, so good' is the message.

Next week we have the following exams:

Monday, 23 May	am	AQA Geography Paper 1 (8035/1)

The start times for exams is 8.45am and 1.30pm. Breakfast is served from 8.15am onwards in the canteen.

I am very grateful to the parents who have supported with exam invigilation. It has been incredibly helpful to have volunteers here to facilitate with the smooth running of the exams. Please do let the school know if you are able to help with the exams that continue to run next week and after half term via email col-enquiries@coleridgecc.org.uk

Next week, I intend to give a broader summary of the term as well as to look to events in Term 6 but for now, I would like to thank you for your ongoing support and I hope you have a wonderful weekend.

Best wishes

Richard Shaw
Interim Principal

Year 8 Drama Performance

Last term in Drama the whole of Year 8 learnt and performed a Shakespearian monologue or duologue as part of the English Speaking Union's Performing Shakespeare competition.

The best performances from each class went forward to a final school-based round. The judges selected Raff Torres Lyons to represent the school at the regional final.

On Monday afternoon Raff went to Haberdashers' Boys' School where he took part in a workshop and performed alongside nine other competitors from across the region for a place in the final to be held at the Swan Theatre in Stratford-upon-Avon.

Raff performed Romeo's final monologue in Act 5 Scene 3 with confidence and passion. We are very proud of the dedication and hard work he has displayed in preparing for the competition.

3. What can go up a chimney down, but can't go down a chimney up?
