Principal's Message

Hello once again,

I do hope you had a lovely Bank Holiday weekend and that this week has gone well. How quickly the weeks are passing at Coleridge with so many positive things happening. The College has seen a significant change to the structure of the school day, and I am happy to report that the students have responded magnificently. The crisp start with the extended form time has allowed students to settle into the day and to start learning from the moment they step foot in the College. The programme of study continues to incorporate PSHE and form time reading as well as a weekly assembly with the Head of Year. Standards of dress and equipment are still in place and I really do appreciate your support in ensuring your children arrive so well turned out and fully equipped, ready for the day ahead. The extended lunch has also been a breath of fresh air, literally, for the staff and students. There is a full and exciting enrichment programme in place. Students are able to engage with clubs ranging from Hair Care, Green School Eco Club, Mindfulness Art, Kahoot Club, Funk Band to Taiko drumming and that's just Mondays offering! This is only the beginning and we will continue to look at ways to expand activities as the term progresses.

The morning sessions have also given us time to deliver the intervention sessions to the Year 11 students as they head towards the all-important exam period. Music has been extremely busy this week as students have been 'showcasing' their music coursework project to staff and family members and all are to be commended for their creative efforts. Modern Foreign Languages have also been conducting the speaking exams and students have excelled in their approach. I am of course partisan as a Spanish teacher but being able to speak another language really does allow the students to think about their world differently and to become confident communicators, skills that are needed wherever we work.

On a separate note, it was a pleasure to meet with Joanne King from the Adult Learn and Train Centre this week who spoke about the huge range of courses that are on offer for adults from Maths and English GCSEs, Arts & Crafts to Yoga and fitness. I've always promised myself I would learn Italian at some point so it's definitely something for me to look into as well. Proof that every day is a school day and that there is always something we can learn and ultimately enjoy with others.

Lastly, I would like to say thank you for not dropping students off directly in front of the College, this has vastly improved and the starts and ends of each day are definitely calmer and safer as a result. I really do appreciate your support in this matter.

I would like to wish you all a wonderful weekend and I will be in touch again next week with more developments.

Best wishes

Richard Shaw

Interim Headteacher

YEAR 10 TASTER DAY

Friday 10th June 2022

Along with our Open Evening on Wednesday 22nd June we are giving Year 10 students the opportunity to visit Comberton Sixth Form for a Taster Day on Friday 10th June, 9.15am – 2.15pm.

The day will allow students to find out more about sixth form life and will include:

- Taster lessons in the A-Level and BTEC courses that we offer
- A talk from our Head of Sixth Form
- A chance to explore our sixth form building and facilities

Students who wish to join us on the 10th June should register to attend here: [Taster Day Registration](#) (deadline Friday 20th May).

Once registered to attend, students and parents will be sent further details about the day.

If you have any questions or need help registering, please get in touch at sixthform@combertonvc.org

We look forward to meeting you.

Yours faithfully,

David Clarke
Head of Sixth Form
